

TRAINING AGREEMENT

To maintain the highest possible level of technical expertise, Arcadia Body Shop will arrange for your enrollment in various training classes with I-CAR, OEM's, equipment and product manufacturers as well as other organizations.

Any training certifications that you acquire ***will remain your property and benefit you throughout your career.*** For this reason, you agree to attend these classes on your own time without reimbursement. In turn, Arcadia Body Shop agrees to pay all your class enrollment costs, although if you leave Arcadia Body Shop's employment within six months of attending a class, you agree that the full cost may be deducted from your final paycheck.
